

CURRENT OPPORTUNITIES AS OF 01-03-2023

Beginning in 2023, the HRBT Expansion Project will begin the construction of 22 vertical buildings on the project's North and South Islands. The scopes of work involved will include a General Contractor to oversee the work, in addition to multiple trades, including and beyond:

- **Vertical Construction**
- **HVAC**
- **Electrical**
- **Mechanical**
- **Elevators**
- **Ventilation**
- **Plumbing**
- **Fire Suppression**
- **Metal Fabrication**
- **And more!**

Any interested DBE/SWaM vendors should email Melissa Nichols, Procurement Manager at mnichols@hrcpjv.com or Malcolm Kates, DBE/SWaM Manager at mkates@hrcpjv.com.
