

## CURRENT OPPORTUNITIES AS OF 5/1/2024

*Beginning in 2023, the HRBT Expansion Project will begin the construction of 22 vertical buildings on the project's North and South Islands. The scopes of work involved will include a General Contractor to oversee the work, in addition to multiple trades, including and beyond:*

- **Vertical Construction**
- **HVAC**
- **Electrical**
- **Mechanical**
- **Ventilation**
- **Plumbing**
- **Fire Suppression**
- **Metal Fabrication**
- **And more!**

*Any interested DBE/SWaM vendors should email Melissa Nichols (Procurement Manager) at [mnichols@hrcpjv.com](mailto:mnichols@hrcpjv.com) or Elonda Mackey (DBE/SWaM Manager) at [Emackey@hrcpjv.com](mailto:Emackey@hrcpjv.com).*
