

CURRENT OPPORTUNITIES AS OF 5/1/2024

At the end of 2024, the HRBT Expansion Project will begin the construction of 22 vertical buildings on the project's North and South Islands. The scopes of work involved will include a General Contractor to oversee the work, in addition to multiple trades, including and beyond:

- **Vertical Construction**
- **HVAC**
- **Electrical**
- **Mechanical**
- **Ventilation**
- **Plumbing**
- **Fire Suppression**
- **Metal Fabrication**
- **And more!**

Any interested DBE/SWaM vendors should email Melissa Nichols (Procurement Manager) at mnichols@hrcpjv.com or Elonda Mackey (DBE/SWaM Manager) at Emackey@hrcpjv.com.
